

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: March 2, 1988
AGENDA TITLE: Approve Driveway at 1721 South Cherokee Lane

RECOMMENDED ACTION: That the City Council adopt a resolution granting a 35-foot driveway as requested.

BACKGROUND INFORMATION: When the Division of Highways relinquished Cherokee Lane to the City of Lodi, they also gave to the City certain access rights in the area south of Vine Street. In order to have a legal access, it is necessary for property owners to receive approval from the City Council to add new driveways.

We have reviewed the request for a new driveway at 1721 South Cherokee Lane (see attached exhibit) to provide access to this parcel. We feel that the request is reasonable, and are recommending that a resolution be adopted by the City Council approving one new driveway.

WHEREAS, Darrel Fandrich is desirous of abandoning an existing access and establishing one new driveway to the real property owned by him at 1721 South Cherokee Lane having a frontage of 316 feet; and

WHEREAS, said request appears reasonable to the City Council of the City of Lodi .

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lodi as follows :

1. The existing 40-foot access at 1721 South Cherokee Lane is hereby abandoned.
2. A 35-foot driveway located 158 feet south of the north property line is hereby established.
3. This resolution is adopted on the express condition that Darrel Fandrich shall be fully responsible for the cost of installing street improvements to comply with the Cherokee Lane Beautification Plan as prepared by Paul Tritenbach, Landscape Architect, dated November 8, 1966.
